**MINUTES OF MILTON TOWN MEETING
SECOND SESSION - MARCH 18, 1989**

The Annual Town Meeting (Articles of Business in the Warrant) of the legal voters of the Town of Milton was held at the Nute High School Auditorium on the above mentioned date. Donavon C. Current, Moderator, called the meeting to order at 1:00 p.m., followed by Retired Judge Eugene F. Nute offering prayer and the Pledge of Allegiance to the Flag.

Moderator Current made an announcement regarding the five (5) member Board of Selectmen voted on last year. He proceeded to read excerpts from Attorney Crean's letter (see attached) indicating it was a nullity and that the Board of Selectmen remained at three (3) members due to population.

Article #1. The motion was made by Mr. DeFelice, seconded by Bill Canney, to raise and appropriate the sum of \$187,863.00 and authorize the usual and customary activities identified by line in the safety portion of the budget.

REPORT OF THE CAPITAL IMPROVEMENT COMMITTEE

Capital Improvements are major physical improvements using public monies beyond the scope of normal operating expenses. Items generally considered to be capital items are land acquisition, major equipment purchases, major public construction or large-scale renovation projects.

A Capital Improvements program (CIP) is a plan of proposed spending of capital items based on projections of community needs, fiscal capability and demand for services. Ultimately, it should present a schedule of when projects will be undertaken in the coming years and at what cost. By approaching capital costs in this manner, a municipality can plan for a breakdown of services before they occur and at the same time, take a large capital expenditure and spread it out over a longer period of time thereby diminishing severe impacts on the municipal tax burden.

For the Town of Milton, the CIP has been developed for a six (6) year time frame, which took affect in fiscal year 1987. A capital improvement has been defined as any item costing at least \$3,000, with an estimated useful life of five (5) or more years. This CIP, when used in conjunction with other planning documents such as the Master Plan, can form the basis and rationale for growth management in Milton. The plan will also aid the Planning Board in determining and defining premature development and in projecting when these developments are timely. It is also necessary for assessing impact fees.

The CIP should also aid the Selectmen and other town officials in planning long term budgets. Used properly and updated annually, it should prove helpful in stabilizing both capital and operating budgets.

We, the Members of the Capital Improvements Committee wish to offer the people of Milton the opportunity to get involved in the work of this committee.

Respectfully submitted,

THE MEMBERS OF THE
CAPITAL IMPROVEMENTS COMMITTEE

-------------	--------------

The Planning Board held a Special Town Meeting on December 19, 1989 to vote on the revised Zoning Ordinance, which passed 89 to 51. This comprehensive revision involved countless hours of volunteer labor, including research, workshops and public hearings. We greatly appreciate the input of the townspeople and were encouraged by all those who offered support by attending our meetings and hearings.

Our next big project is to update the Master Plan, which serves as a guide for development in the town. We'll be compiling a survey form in the near future and will be asking for your cooperation in completing it. We adopted new Roadway Standards and Subdivision Regulations on October 10, however, these constantly need to be reviewed and updated.

We have made much progress over the past few years. A computer system was obtained through the generosity of the Lockhart Trust and it's being utilized to more efficiently accomplish our day-to-day activities. Your Planning Board consists of a group of people who aren't afraid of hard work, extra meetings and criticism: Ed Miller, John Doria, Tom Reid, Bette White, Marge Ross, Glenn Stewart, Joe Messina, Tim Corbett, Curtis Bushby and Rosemary Jeffries. With the assistance of the Capital Improvements Committee, Conservation Commission, Strafford Regional Planning Commission, the Town's Attorney and personnel from engineering firms, we have improved on our procedures, review process and professionalism.

We invite you to our meetings and welcome your input!

Respectfully submitted,

THE PLANNING BOARD MEMBERS

REPORT OF TOWN FOREST FIRE WARDEN
AND
STATE FOREST RANGER

During calendar year 1989, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without written permission of a Forest Fire Warden, children and debris burning fires that escaped control. All of these causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. By New Hampshire State law (RSA 224:27), no person, firm or corporation shall kindle or cause to be kindled any fire, except when the ground is covered with snow, without first obtaining a written permit from the Forest Fire Warden of the town where the burning is to be done.

In order to eliminate false alarms, it is advisable to notify your local fire department whenever you intend to do any outdoor burning.

Violations of RSA 224:27 are a misdemeanor and you are also liable for paying all fire suppression costs (RSA 224:28 and RSA 224:36).

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1989 including several large fires in the Concord and Chesterfield areas, as well as the 100 acre fire on Mt. Belknap in Gilford, New Hampshire.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden or the Division of Forests and Lands at 271-2217.

MILTON POLICE DEPARTMENT

The Milton Police Department would like to thank the residents for their help in 1989 and cooperation from them was improved and appreciated. I would like to thank all department personnel for their assistance this past year. My goal is to treat everyone equally and my hope is that this department and our residents can work together for the betterment of our town.

Respectfully yours,
Williian M. Canney
Chief of Police

MILTON FIRE DEPARTMENT REPORT

The Milton Fire Department had 98 calls for service in 1989

Traffic Accidents	28	Wires Down	1
Chimney Fires	8	Motorcycle Fires	1
Structure Fires	10	Burning Odor In House	1
Gasoline Washdown	5	Water Rescue	1
Vehicle Fire	5	Motorcycle Accident	1

Bon Fire	2	Cat Rescue	1
Dump Fire	2	Oil Burner Fire	1
Propane Leaks	1	Lightning Strikes	1
Construction Injury	1	False Alarms	1
Permit Fire	1		

The Fire Dept. provided mutual aid to the following towns:

Farmington	7
West Lebanon, Maine	2
Union	3
Newmarket	1

(Coverage for the entire seacoast during the Danville Tire Fire).

During 1989, a lot of changes occurred throughout the year. In March, the Milton Mills Fire District was incorporated into the Milton Fire Department. All the equipment and manpower remained, with only the name changing.

Probably the biggest change we've experienced is the daily change in the services that we provide. Training is never ending. This requires a great deal of dedication and a lot of time away from the families and friends for the 30+ members of this department.

On the 12th day of September, Deputy Fire Chief Kenneth Hall Jr. passed away after suffering a heart attack at his residence. Ken was a valuable part of this department for over 26 years. What Deputy Hall did for this department and town will never be forgotten and will live forever.

Thank you for supporting us in 1989 and we look forward to serving you in 1990.

Respectfully submitted,
John L. Gilman
Fire Chief

MILTON AMBULANCE SERVICE REPORT

The Milton Ambulance responded to 179 calls for service in 1989. They are as follows:

	<u>House Calls</u>	<u>Auto Accidents</u>	<u>Total</u>
1st Quarter	33	8	41
2nd Quarter	34	5	39
3rd Quarter	27	9	36
4th Quarter	<u>22</u>	<u>12</u>	<u>34</u>
TOTAL YEAR	116	34	150

Called but not needed 29

Huggins Hospital	3

Again, I would like to thank the members of the Milton Ambulance and Auxiliary for the long hours that are required to operate and ambulance service. It takes a pretty special person to drop everything at any given time to respond to an emergency. The Town of Milton is fortunate to have these types of people who give up a lot of hours to help someone in need.

Thank you for supporting us in 1989 and we look forward to serving you in 1990.

RURAL DISTRICT HEALTH COUNCIL, INC.
Annual Report 1989

The Rural District Health Council, Inc. continues as a certified home health agency providing your town with skilled nursing, physical, occupational and speech therapies, medical social services, home health aides, homemakers and a comprehensive hospice program. We have a 24 hour answering service with a nurse available 24 hours a day, 7 days a week with home visits made as indicated. The staff has made to date, 7559 home visits with 1485 hours of homemaking within the Care of the Sick program.

The Elderly Maintenance Health program is funded in part by the Division of Elderly and Adult Services and the RDHC. There are 210 patients enrolled in the program which includes health counseling, blood pressure monitoring, diet teaching and blood testing for diabetes. 391 patients have been seen and 161 influenza shots given.

The Child Health program is very active with 429 children enrolled from the ages 0-6 years. This includes physical examinations, immunizations, growth and development and counseling. There have been 781 children seen at clinics with 179 home visits made.

The Dental program funded in part by the Bureau of Dental Health and the RDHC provided cleaning and fluoride treatments to 193 children from ages 3-6.

Staffing still remains a problem with nurses being very difficult to hire - Home Health has become very hi-tech nursing in the field. It takes a special type of nurse to accomplish this. The present dedicated staff continues to provide excellent care to all patients in the nine towns.

A bequest to the Council may be made to further the general purpose of RDHC.

In lieu of flowers a memorial donation may be made in memory of a loved one.

The Board of Directors and staff would like to thank the families of the following for naming memorial donations in their names.

TOWN BEACH REPORT

The Milton Town Beach, like the rest of Milton, has undergone changes in the last couple of years. The most profound being the dramatic increase in the use of the beach. Enrollment for swimming lessons doubled this past summer, requiring increased lifeguard and supervision hours. Due to insurance requirements a lifeguard must be on duty at all times (The lifeguard previously was off duty at five-o'clock). Increased beach use has often necessitated the use of two lifeguards during the week and three on weekends. To offset the cost of running the beach, The Beach Commissioners instituted a hike in fees for out of town residents in mid season last summer. This increase, although relatively small, increased beach revenues enough to offset increased costs without burdening the taxpayers of Milton. The Commissioners are also using small amounts of revenue each year to replace dying trees and beautify the recreation facility.

Respectfully submitted,
Philip M. Mollica

Anticipated Costs for 1990:

Employees	\$17,900
Picnic Tables & Grills	1,300

MINUTES OF SPECIAL MEETING - MILTON SCHOOL DISTRICT
FEBRUARY 22, 1989 7:08 p.m.

The Special School District Meeting of the legal voters of the Milton School District was held on February 22, 1989 at Nute High Auditorium. The meeting was called to order by Moderator, Donavon C. Current, presiding, followed by an invocation by Pastor Robert Littler and the Pledge of Allegiance to the Flag.

Mrs. Virginia Banks made a motion that the School District shall accept the provisions of RSA 195 (as amended) providing for the establishment of a Cooperative School District, together with the School Districts of Middleton and Wakefield, in accordance with the provisions of the proposed articles of agreement filed with the School District Clerk, seconded by Mr. Dennis Dube.

Mr. Current informed the voters that a paper ballot vote was required in accordance with RSA 195:18,VI.

Discussion ensued.

Mr. Rodrigue moved to vote, seconded by Mr. Russell.

The main motion on the floor was passed by ballot vote:

244 YES 18 NO

Mr. Russell made a motion to adjourn, seconded by Mrs. Doria.

Meeting adjourned at 9:15 P.M.

**MINUTES OF THE ANNUAL 1989 MILTON SCHOOL DISTRICT
MEETING - MARCH 15, 1989 at 7:00 P.M.**

The Annual Meeting of the legal voters of the Milton School District was held on the above-mentioned date at the Nute High School Auditorium. Meeting was called to order by Moderator, Donavon C. Current, presiding, followed by the repeating of the Lord's Prayer and Pledge of Allegiance to the Flag.

Mr. Larish Kane gave a report from the Branch River School District Planning Committee on the advisability of establishing a cooperative school district with the towns of Wakefield and Middleton.

Mrs. Virginia Banks gave a report on the increases in the School District Budget.

Article 1 - Dennis Dube made the motion, seconded by David Buchanan, that the reports of the agents, auditors, committees, and officers chosen be accepted as published in the Town Report. Motion, carried.

Article 2 - Virginia Banks made the motion, seconded by Dennis Dube, that the district vote to raise and appropriate the sum of \$4,000.00 to repair the roof on the gymnasium at Nute High School and the 1989 addition of the Grammar School. Motion carried.

Article 3 - Dennis Dube made a motion, seconded by Mr. Peterson to postpone indefinitely Article 3. Motion carried.

Article 4 - Dennis Dube made the motion, seconded by Virginia Banks to postpone indefinitely Article 4. Motion carried.

Article 5 - Virginia Banks made the motion, seconded by Dennis Dube to postpone indefinitely Article 5. Motion carried.

Article 6 - Dennis Dube made the motion, seconded by Virginia Banks to postpone indefinitely Article 6. Motion carried.

Article 7 - Dennis Dube made the motion, seconded by Virginia Banks, that the School District vote to raise and appropriate the sum of \$15,522.00 to remove asbestos from the Milton Mills School. Motion carried.

Article 8 - Virginia Banks made the motion, seconded by Dennis Dube to raise and appropriate the sum of \$3,500.00 to maintain the gymnasium floor and hall floors at Nute High School. Motion carried.

MEETING - MARCH 15, 1989 at 7:00 P.M.

(Cont.)

Article 9 - Dennis Dube made the motion, seconded by Virginia Banks to postpone indefinitely Article 9. Motion carried.

Article 10 - Virginia Banks made the motion, seconded by Dennis Dube that the School District vote to raise and appropriate the sum of \$54,321.61, (\$52,630.68 in principal and \$1,690.93 in interest), to be added to the 1989 fiscal year appropriation raised by the 1988 annual School District meeting; said appropriation to be funded by excess State Foundation Aid distributed by the Department of Education under the provisions of the 1988 NH Laws, Chapter 278 and interest earned on said funds; said money to be used to offset the expense of keeping Milton Mills School open for the 1988-89 school year and mandated special education costs. (Supplemental appropriation). Motion carried.

Article 11 - Virginia Banks made the motion, seconded by Dennis Dube that the School District vote to raise and appropriate the sum of \$2,697,916.00 which includes the amounts raised in Articles 2, 7, and 8 of this warrant for the support of schools, for the salaries of School District Officials, agents and employees, for capital construction, and for the payment of statutory obligations of the School District. This motion does not include the \$54,321.61 raised and appropriated in Article 10 of this warrant.

Mrs. Charlotte Stuart made a motion to add an amendment to the main article to read: In lieu of moving the 6th Grade to Nute High School, I propose that a building committee of 5 members be appointed by the Moderator to bring before the Town by May 24th, 1989, a warrant article for the purpose of raising money by a 20-year bond to build the second story onto the new addition of the Milton Elementary School; and that the money budgeted to create the Middle School within Nute High School for \$21,400.00 be deleted from the school budget to make a new figure of \$2,676,516.00. It is expected that this addition will be ready by September 1990, and will include 6 full classrooms, 2 smaller rooms, toilets, stairs and an elevator. For an amount of \$742,000.00 Mr. Russell seconded the motion. Discussion ensued.

The motion to delete \$21,400.00 by Mrs. Stewart was denied.

The main motion of the floor to raise \$2,697,916.00 carried.

Article 12 - Dennis Dube made a motion, seconded by Virginia Banks, to have the School District authorize the School board to make application for and to receive and

expend, in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter by forthcoming from the United States Government and/or State agencies; private agencies and/or other sources in accordance with the provisions of RSA 198:20-b. Motion carried.

Article 13 - Mr. Philip Mollica made a motion, seconded by David Buchanan, to form a long range committee to look into the School District's need in conjunction with the Cooperative committee for space needs of the future. Motion carried.

Article 14 - David Buchanan discussed the Board's intention to have a Busing Lease Purchase Agreement for the District to own it's own buses and asked for agreement from the meeting. The people agreed by a voice vote.

Virginia Banks congratulated the Milton Students in the O.M. at Tilton.

David Buchanan thanked Mr. Barry Clough for his years of service as Superintendent of the Milton School District.

Philip Mollica made a motion, seconded by Mr. Russo to adjourn the meeting.

Meeting adjourned at 8:50 p.m..

MINUTES OF SPECIAL MEETING - MILTON SCHOOL DISTRICT
SEPTEMBER 13, 1989 at 7:15 P.M.

The Special District meeting of the legal voters of the Milton School District was held on September 13, 1989 at Nute High Auditorium. Meeting was called to order by Moderator, Donovan C. Current, presiding, followed by an invocation and Pledge of Allegiance to the Flag.

Mrs. Virginia Banks made a motion, seconded by Dennis Dube to move that the School District accept the provisions of RSA 195 (as amended) providing for the establishment of a cooperative school district, together with the School District of Wakefield, New Hampshire in accordance with the provisions of the proposed articles of agreement filed with the school district clerk; and thereby ratifying and confirming the authority of its planning committee in recommending and signing the articles of agreement. Motion carried,

237 YES

14 NO

Votes by paper vote.

Meeting adjourned at 8:05 P.M.

**SCHOOL WARRANT
STATE OF NEW HAMPSHIRE**

To the Inhabitants of the School district in the town of Milton qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 13th day of March 1990, at 10:00 O'clock in the fore noon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. "Are you in favor of increasing your school board from 3 members to 5 members?" (RSA 671:4) (By Petition)

Given under our hands at said-this 31st day of January 1990.

**SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE
TENTATIVE**

To the Inhabitants of the School district in the town of Milton qualified to vote in district affairs:

You are hereby notified to meet at the Nute High School Gymnasium in said district on the 17th day of March 1990, at 12:30 o'clock in the afternoon, to act upon the following subjects:

PLEASE NOTE: IT IS THE SCHOOL BOARDS INTENTION TO MOVE THAT THE MEETING BE RECESSED UNTIL MARCH 31, 1990 AT 10:30 A.M. AT THE NUTE HIGH SCHOOL GYMNASIUM.

1. To hear the reports of agents, auditors, committees, or officers chosen and pass any vote relating thereto.

SCHOOL WARRANT (Cont.)

2. To see if the School District will vote to raise and appropriate the sum of \$102,000.00, one hundred and two thousand, to cover the cost of educating eight (8) special education students unanticipated at the time of the 1989 Annual School District Meeting. (Deficit Appropriation)
3. To see what sum of money the School District will raise and appropriate for the support of schools, for the salaries of school district officials, agents and employees, for capital construction, and for the payment of statutory obligations of the School District.
4. To see if the School District will vote to appropriate \$1,500.00, one thousand five hundred dollars to help support with other school districts a court challenge to the constitutionality of New Hampshire's method of funding public education through near total reliance on local property taxes.
5. We the residents of the Milton School District find the State of New Hampshire to be negligent in the funding of Public Education, thus creating an undue burden on the local property taxpayers. We demand that the State of New Hampshire Legislature begin in earnest to study methods for substantially increasing State aid to education.
6. "Are you in favor of holding the School Budget to the 1989 level with the exception of the Branch River CO-OP?" (By Petition)
7. "Are you in favor of having the state pass a sales tax to lessen the property tax burden?" (By Petition)
8. "Are you in favor of having the state pass an income tax to lessen the property tax burden?" (By Petition)
9. To see if the School District will authorize the School Board to make application for and to receive and expend, in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or State agencies and/or other sources in accord with the provisions of RSA 198:20-b.
10. To choose agents and committees in relation to any subject embraced in this warrant.
11. To transact any other business which may legally come before this meeting.

Given under our hands at said the 13 day of February 1990

SUPERINTENDENT'S REPORT

On July 1, 1989 Milton became part of a new School Administrative Unit along with Middleton and Wakefield. This was caused because some of the communities of the old Unit believed they were not receiving the service they needed. I was employed as your Superintendent to organize the new Unit and establish the services to the three communities. By the September school opening facilities were obtained, staff hired and all services in place and ready to operate. To mention a few of these services, be liaison with the State Board of Education and the State Department of Education; communicate the many rules, regulations and laws affecting local districts with the local administrators; secure and recommend people for available positions in the schools; supervise and recommend the retention or removal of staff to the Board; evaluating, recommending and assisting in developing programs in curriculum; budget preparation and recommendations; monitoring the effectiveness of the instructional programs; and providing and supervising Federal programs such as Chapter I. This is by no means an all inclusive list but it gives you an idea of the areas and scope of an SAU office.

In addition to the functions mentioned, I was involved in the establishment of the Branch River Cooperative High School. This is a concept whose time has arrived. I fully support this high school and believe, from long experience in the field, that it is absolutely necessary. I state this not because of what might happen this year or next, but because of the history of education in this area and the growth of students that will definitely come in the future. In addition, the quality and quantity of education can be adapted to the needs of our youth of this community. Finally, in looking at per pupil costs, I do not believe on a ten year basis it will be higher, but lower than if we continue as we are presently. The bottom line, so to speak, is what is best for the students of this community, and the overwhelming evidence is a local cooperative school in which you can control and guide.

One of the areas, in fact the most important area that needs attention is improving the curriculum. Our students, for the most part, are receiving a good education. However, all could do better and some we are not helping at all. I believe we not only need to enrich what is being taught, provide a greater challenge for each student, but offer greater opportunities for learning for all the students. They need to work longer and harder in acquiring knowledge. The staff we presently have is talented and capable of doing this. We as educational leaders, parents and community members must work together to provide the resources and knowledge to make a better curriculum a reality.

The decade of the nineties is here. When I think back on what it was like in 1980 I realize how much differently things are now. Job availability and the types of jobs have changed. More technology is in the schools, work place and the home. The world keeps shrinking and any place in the world is available to us through the nightly news, other T.V. programs and the VCR. We have become more interdependent and what one does has a greater affect on others than in the past. Our children are growing up in this changing world. I as an educator and you as a member of this community must do all we can to give them the tools to not only survive but be successful throughout their life.

I have enjoyed working with you and for you these past six months, and I look forward to providing you leadership and other educational services in the future.

Respectfully submitted,

Thayer D. Wade
Superintendent of Schools

PRINCIPAL'S REPORT ELEMENTARY SCHOOLS

This year, the most noticeable change in the Milton Elementary Schools is the relocation of Grade Six to the Middle School. This has enabled the elementary buildings to absorb the 10% increase in student population through grade five.

Two classes, Readiness and a third grade, are located in the Milton Mills School. Ten classes: two first grades, two second grades, one third grade, one fourth grade, two fifth grades and two multi-age classrooms are located at the Milton Elementary School.

The enrollment as of December 31, 1989 reflects the continued growth in Milton with class enrollment as follows: Readiness - 17, Grade One - 53, Grade Two - 52, Grade 3 - 58, Grade 4 - 27; and Grade 5 - 55; for a total of 262 students. The enrollment on December 31, 1988 was 238 in Grades Readiness through Five.

The two multi-age classes, an innovative concept, have been well received by students, parents and teachers. These classrooms, a 1-2-3 combination and a 3-4-5 combination have been designed to accommodate student learning styles and offer flexibility in grade placement. Students placed in these classrooms work at their grade level on academic subjects and are also involved in a variety of high interest projects. The low teacher-pupil ratio makes it possible for students to receive much needed individualized attention.

**PRINCIPAL'S REPORT
ELEMENTARY SCHOOLS
(Cont.)**

Milton Schools participated in the California Achievement Testing Program in October. This is a change from the SRA tests which were traditionally administered in the spring. Students in Grades Two through Five scored within the average range, their strengths lying in the areas of Science and Social Studies. The results of these tests allow teachers to focus on student academic needs.

Because of the resourcefulness of our Special Education personnel and through the use of classroom aides, Milton Elementary has developed an outstanding program to serve children with special needs. Several students have returned to the Milton Schools from outside placements effecting a financial savings to the District in tuition and transportation costs.

Changes in the Chapter I program have allowed the school to serve more students in both reading and math. Barbara Litman has replaced Earl Peabody as Chapter I Manager/Remedial Reading Teacher. Anneke Wegscheider replaced Debra Zereykan as the Chapter I Math teacher. Chapter I funds make it possible for 32 students to receive small group math instruction in all grades. There are 37 students receiving reading instruction in grades 1, 2, and 3. We are able to serve larger numbers of students in the early grades this year by hiring three reading aides paid for with Chapter I funds. Twenty six students in grades 3, 4, and 5, receive remedial reading services as part of Milton's regular school program.

Gail Kushner has replaced Gerald Thibault as elementary guidance counselor. The elementary counselor visits each classroom weekly with developmentally appropriate lessons in self-understanding, educational and career development, personal growth and safety, individual planning and decision making skills. Individual and group counselling is available on a weekly or "as needed" basis for students with special needs.

This year we are able to fully serve all students with speech and language needs. Mrs. Pamela O'Connor has joined our staff two days a week as Speech and Language teacher. Together with Mrs. Mortimer, our speech pathologist, thirty students, pre-school through grade eight, receive small group instruction two or three times a week. Through an arrangement with the Times of Rhymes Pre-school in Milton Mills, children with delays in speech and language receive services.

Other staff changes include Denise Daigle replacing Karl Hoff in Grade Five. Cynthia Campbell has returned from a year's leave of absence to teach the Combination 1, 2, 3. Wanda Ordway who previously taught Grade Six, now teaches the Combination 3, 4, 5. Elaine Conboy, who taught Grade

Two in Milton Mills, now teaches Third Grade in Milton, David Seaward has replaced Dale Mitchell in the half-time music position.

We have been able to increase Library and Gifted and Talented services to the students. Last year, funds were made available to furnish the Milton Elementary Library. This year we are attempting to increase the number of volumes to meet state minimum standard requirements. The Milton Gifted and Talented program, known as ATLAS, (Awesome Time to Learn At School) was named by the fifth grade class. Through this program, all classes are offered enrichment opportunities and techniques for creative problem solving. Several teams from Milton Elementary School once again earned recognition in the Odyssey of the Mind regional and state competition.

The Milton Mills School will remain open because of the need for space. Interested members of the community met in the fall to help formulate a plan for the best use for this community landmark. It was decided to continue to use the school for as many as fifty-five early primary students who live in, or close to Milton Mills.

Major improvements are needed for the Milton Elementary School playground. Through the combined efforts of the PTA, Parks and Recreation Commission, and the Milton School District, plans are being made to upgrade the playground as a recreational resource for all members of the community.

On behalf of the staff I wish to thank the businesses and organizations who continue to support our schools in many and varied projects. I would like to recognize the PTA and many parent volunteers who generously donate their time for the children of Milton.

Respectfully submitted,
Nancy J. Drew, Principal

PRINCIPAL'S REPORT NUTE HIGH SCHOOL

The school graduated 36 seniors in 1989 of which 22 continued their educational careers in either a two or a four year college or the military. This is a 60% rate and we can be proud of it.

The year was marked by several major changes including the formation of SAU 64, the sixth grade coming to our building to join seventh and eighth in the beginnings of a middle school concept, and the purchase of buses by the district. All these changes have had a positive impact upon the school. The school lunch program has been greatly improved with the addition of tables, a salad bar and steamed hot dogs. Because of this, children seem to be eating healthier meals and there is far less confusion than in the past.

Nute Middle School students took the SRA (Science Research Associates) Survey of Basic Skills test during March of 1989 and faired quite well. All grades, except seniors, also took the CAT'S in the fall.

The Middle School "Odyssey of the Mind" team which went to Boulder, CO. placed 16th in its division in the world finals. The boys basketball team lost to Epping in the State Finals at Plymouth State College. Girls softball lost to Groveton 3-2 in the State Finals at Concord. The most outstanding achievement of the year was the establishment of a new state scoring record in basketball by David Burrows. He broke the old record of 2117 on December 19, 1989 in the game against Calvary Christian School. He has also broken the school one game scoring record and the season scoring record which was previously held by Julie Donlon. The Manchester Union Leader selected David "Athlete of the Month" for December.

We are pleased to announce the arrival of the "Guidance Information System" which is a computer driven program containing information on two and four year colleges, civilian and military occupations, and college financial aid. Students are working with the system and it is also being used in Mrs. Mandeville's classes.

The town's continuing support of the school is greatly appreciated by the faculty and staff. Good education is a must as we aim toward the 21st century. Please feel free to visit school anytime.

Andrew S. Moore,
Principal

SCHOOL NURSE REPORT

As usual, we started early in the spring preparing for the following school year. Pre-schoolers were screened for any possible vision, hearing, and other health problems. Through this early screening program, many problems are detected and corrected before a child enters school.

During the school year various health screenings are done including vision, hearing, height, weight, postural and frequent head checks for pediculosis. Parents are notified if any problems are detected.

School physicals are done yearly on the 4th, 7th, and 10th grades, as well as all students participating in school sports, by the school doctor, Dr. Lord. Any students who wish to go to their own doctor for such physicals may do so.

We were again fortunate to be able to offer the school Dental Clinic to grades Readiness - Six. One hundred and twenty five students took advantage of the program. This is an excellent program which includes cleaning, fluoride treatment, and instruction in proper dental care and nutrition at a minimal cost.

We have about twenty students in grades 7 - 12 who are members of the Nute Teen Health Committee. They are involved in numerous activities throughout the year. They help with the community Christmas project, SIS, and the Christmas Craft Fair at the Elementary School. They are involved in providing information to the student body on such issues as drugs, alcohol and smoking. In April, we had our second annual Nute Teen Health Conference. Health professional offered nineteen different workshops related to numerous health issues. The purpose of this all day conference was to help students learn more about teen health issues in order to make responsible decisions for a long and healthy life.

We are fortunate this year to have a part time nurse at the high school. This has helped to eliminate my travelling constantly between the three schools and thus being able to provide better, prompter service to our students. I have been able to offer more in health education by being available for classroom instruction. I am always a resource person for all students and staff.

I wish to extend my thanks to everyone for their support and cooperation during the past years.

Respectfully submitted,
Joan Paige, R.N., B.A.
School Nurse
